NEW TO OUR COLLECTION

Lacuna is a girl without a family, a past, or a proper home. She lives alone in a swamp made of ink, but with the help of Polaris, a will-o'-the-wisp, she embarks for the fabled Northern Kingdom, where she might find people like her. The only way to get there, though, is to travel the strange and dangerous Blue Road that stretches to the horizon like a mark upon a page. Along the way, Lacuna must overcome trials such as the twisted briars of the Thicket of Tickets and the intractable guard at the Rainbow Border. At the end of her treacherous journey, she reaches a city where memory and vision can be turned against you, in a world of dazzling beauty, divisive magic, and unlikely deliverance.

YAGB COMPTON WAYDE

Genie Lo thought she was busy last year, juggling her academic career with protecting the Bay Area from demons. But now, as the Heaven-appointed Guardian of California, she's responsible for the well-being of all yaoguai and spirits on Earth. Even the ones who interrupt her long-weekend visit to a prestigious college, bearing terrible news about a cosmos-threatening force of destruction in a nearby alternate dimension. The goddess Guanyin and Genie's boyfriend, Quentin Sun Wukong, do their best to help, but it's really the Jade Emperor who's supposed to handle crises of this magnitude. Unfortunately for Genie and the rest of existence, he's gone AWOL. Fed up with the Jade Emperor's negligence, Genie spots an opportunity to change the system for the better by undertaking a quest that spans multiple planes of reality along with an adventuring party of quarrelsome Chinese gods. But when faced with true danger, Genie and her friends realize that what will save the universe this time isn't strength, but sacrifice.

YA FICTION YEE F.C.

Ellingham Academy must be cursed. Three people are now dead. One, a victim of either a prank gone wrong or a murder. Another, dead by misadventure. And now, an accident in Burlington has claimed another life. All three in the wrong place at the wrong time. All at the exact moment of Stevie's greatest triumph... She knows who Truly Devious is. She's solved it. The greatest case of the century. At least, she thinks she has. With this latest tragedy, it's hard to concentrate on the past. Not only has someone died in town, but David disappeared of his own free will and is up to something. Stevie is sure that somehow—somehow—all these things connect. The three deaths in the present. The deaths in the past. The missing Alice Ellingham and the missing David Eastman. Somewhere in this place of riddles and puzzles there must be answers. Then another accident occurs as a massive storm heads toward Vermont. This is too much for the parents and administrators. Ellingham Academy is evacuated. Obviously, it's time for Stevie to do something stupid. It's time to stay on the mountain and face the storm—and a murderer.
