If you are convicted of:

- Operating While Intoxicated (OWI) with an alcohol concentration of .15% or greater;
- OWI/Refusal to submit to a chemical test; or
- OWI **and** you have a prior conviction for an OWI occurring more than ten(10) years ago;

The court MUST order: (1) an ignition interlock device (IID) installed on **every vehicle that is registered or titled in your name***; and (2) a restriction of your operating privileges to only vehicles equipped with an IID.

The IID restriction period is a minimum of one year. The court clerk will notify The Department of Transportation(DOT)of all court orders requiring IID installation.

You will not be able to obtain an occupational license or reinstate your regular license unless you provide the DMV with proof that an IID has been installed on every vehicle that is titled or registered in your name*. The occupational license or reinstated regular license will have Class D operating privileges restricted to vehicles equipped with an IID.

An Ignition Interlock Device(IID) is a mechanism, like a breathalyzer, installed to a motor vehicles dashboard. Before the vehicle can be started, the driver must first exhale into the device. If the breath alcohol concentration analyzed result is greater than the programmed blood alcohol concentration (.02%), the device prevents the engine from starting.

Pursuant to State law, the Chemical Test Section of the Wisconsin Division of State Patrol is responsible for evaluating IID's and approving manufacturers and their devices for use in the State. There is a list of approved vendors on DOT's website at <http://www.dot.wisconsin.gov/statepatrol/services/chemtest.htm>. Please check their website for possible updates. Below is a list of currently approved IID manufacturers.

Approved Device Manufacturer	Approved Model & Type	Phone	Website

Installation and maintenance prices can be obtained by directly calling the approved vendors. Any questions regarding the IID, manufacturers or vendors please call the Chemical Test Section at 608-243-2946. Any questions concerning the IID forms or drivers' records maintenance, please call DMV Compliance and Restoration Unit at 608-266-2261.

All installed IID's will be scheduled for service at intervals not to exceed 60 days. Any failure to report for required servicing shall be reported to the sheriff or county where the customer resides. Any tampering, circumvention, bypass or violation resets shall be immediately reported to the sheriff in the county where the customer resides.

Failure to install; or removal, disconnection, tampering with, or circumvention of the IID is a criminal offense and may result in a fine and/or up to six (6) months in jail, plus a mandatory six (6) month extension of the IID order.

***If you would like to request an exemption from any vehicles(s) titled or registered in your name, you must contact the court to appear in front of the Judge. You will need to bring your license number, 17 digit identification (VIN), year, and make of vehicle to your court appearance.**

***If your income is at or below 150% of the federal poverty level, the court may limit your responsibility to one-half the cost of installing and maintaining the IID. You will be required to show proof to the court.**
